## Communication at CENES

Regular communication with families is key to a successful school year. Centennial Elementary School has multiple ways to ensure families are connected to the most up-to-date information and upcoming events. We have many school-wide communication tools, as well as communication from the classroom teachers.

The Cyclone Circular is the quarterly school-wide newsletter. It includes a Quarterly Calendar, as well as a highlight of upcoming big events. This newsletter is emailed on the first of each quarter and can be accessed on the CENES website: <http://cenes.pasco.k12.fl.us>.

If you are interested in receiving Centennial Elementary School text message reminders about school-wide events or quick updates (such as "Picture Day tomorrow!"), sign up today! By texting the keyword **CENES** to 844-83 you will be enrolled to receive alerts from Centennial Elementary School and able to get time sensitive information on your device.

Check our school webpage regularly. All upcoming and school-wide events are advertised on the banners at the top of the webpage: <http://cenes.pasco.k12.fl.us>. The banners also include links for more in-depth information.

Stay in the know at CENES!
