## Communication

We encourage school and home communication through a myriad of ways. All teachers communicate through myStudent. Like our Facebook and Instagram pages, follow our Twitter page, and be sure we have your contact information so your don't miss our Connect messages!

## Parent Resources

The parent involvement coordinator, along with the administration, will help families in need of academic, community and/or school resources.

## Success Plan Goals

### Collaborative Culture

School teams develop and sustain a culture of collective responsibility evident through the SuP, mission, vision, core values, and intentional PD.

### Data Driven Decisions

School uses a system to analyze data to monitor growth, and teams engage in problem-solving processes to monitor effectiveness of core instruction and intervention supports.

### High Impact Instruction

Teachers intentionally plan and deliver lessons that are aligned to the rigor of the Florida B.E.S.T. Standards and Next Generation Sunshine State Science Standards and integrate best practices to

**Family & School  
Compact**

As a school and family, we have agreed to certain responsibilities in order to ensure that our students have the best educational experience. We encourage all our families to sign the compact to demonstrate the collective commitments we are making to ensure collaboration and support for each of our students.

**Title I  
Meeting**

August 17, 2023 is the annual Title I meeting and Open House. During this time, the school mission and vision are shared with families. New staff are introduced and the parents are informed of Title 1 expenditures.

**School Advisory  
Council**

Our SAC committee is comprised of parents, teachers, and community partners. Please join us monthly and have a voice at CENES! The first SAC meeting is September 25, 2023. During this meeting the focus will be the prior year's school data and Success Plan for the current year, review of the parent compact, introduction of new staff, and community outreach ideas.
